Summer Reading

Students are expected to participate in a summer reading program. Please visit <http://community.caj.or.jp/library/summerreading.php> for more information.

Please assist your child in getting through this program.

Summer Library Hours

Please visit our library website for summer library hours. <http://community.caj.or.jp/library/>

✧ Who's the principal? ✧

Many of you know that I (Tanya Hall) will be on a 6 month leave, starting in July. During my absence, Mrs. Kathi Weemes will take over much of my job. You can email/contact her at the regular email address, you can also contact both of us at ms.principal@caj.or.jp. You will be able to continue to contact me at thall@caj.or.jp, however, may not receive an immediate reply, thus contacting Mrs. Weemes is the best first step. Thank you and see you in January!

Summer Programs

It's still not too late to sign up!! There are many courses/activities that are being offered at CAJ during the summer. Sports camps, ESL courses, Introductory Bible courses, etc. Please visit our website for more information: <http://community.caj.or.jp/>. This is a great way to get to know students at CAJ. Camps are beginning to get cancelled if they do not have enough people signed up-so don't delay!

School Supply List and more...

You will find a list of items that each student needs to bring in the fall at: . If you are unsure of any of the items, don't worry. You can ask on the first day of school and purchase it once school has started in the fall. Students will NOT be allowed to begin school in the fall without proper documentation and a physical (if you are a new student or going in to 6th grade). Please make sure these are taken care of prior to the first day of school. Also, if your child plans on playing a sport in the fall, they will need a to have a sports physical done prior to the first day of practice.
